

# 2015-2016 EMPLOYMENT APPLICATION

Thank you for considering Willard Mountain for your seasonal winter workplace. We hope that you will enjoy your time here as part of the Willard 'family'. We would like for you to remember your job at Willard as one of the best jobs you've ever had!

There are many different departments here at the mountain. On the following application please indicate your job preferences by placing a number (1 being your top choice) next to the department(s) in which you would like to be considered for a position.

Next, please indicate the days and times that you are available to work. We have jobs that range from 40 hours per week down to 8 hours per week – days, nights, and holiday breaks. Employment usually starts just before the snow, which is generally the second week in December.

Even if you have never worked at a ski area before, Willard Mountain provides training to all of their employees so that they feel both comfortable and safe in their work environment. The most important assets that one of our employees can have are a terrific personality and a positive approach to their job. These traits help Willard maintain a pleasant, customer centered interaction across all departments.

Applications for the season are accepted on an ongoing basis starting October 1<sup>st</sup>. Once your application is complete, it will be reviewed by the department manager, and you will receive a phone call back, usually within a week. Please feel free to call us at 518-692-7337 if it has been longer than that so that we can check on the status of your application for you.

After approval of your application, you will attend your department's clinic so that your supervisor can cover topics of importance for your position. Your manager will be more than happy to explain the specifics of your job as well as answer any questions that you may have at that time. For all Ski and Snowboard Instructors, there is a MANDATORY on snow clinic for all new Instructors on Dec 12 & 13<sup>th</sup> from 9am-4pm. All returning instructors, the clinic is on 12/13 from 1-4pm. All other departments, your supervisor will contact you with the specific date and times for your clinic.

If you are hired, you will be granted Season's Pass privileges that will begin as soon as we are operational. There are other benefits, such as free or discounted passes for family members, depending on the hours that you work.

Once again, we thank you for your time and for applying here at Willard Mountain.

Sincerely,  
Willard Mountain Management
